20                  CASE NO. C14-1178 MJP  
21                  ORDER REGARDING JUNE 2024  
22                  DATA & CONTEMPT

23                  The Court issues this Order in response to the Declaration of Dr. Thomas J. Kinlen – June  
24                  2024 Data & Contempt. (Dkt. No. 1132.) In his declaration, Kinlen states that DSHS has  
25                  requested approval of several “Good Cause Exceptions” with his current declaration and his  
26                  declaration file for May 2024 (Dkt. No. 1123). To the extent Defendants request the Court grant  
27                  any reduction in fines owed due to a Good Cause Exception, they must move for such relief by  
28                  filing a motion with all supporting materials and allowing Plaintiffs to have an opportunity to  
29                  respond. Similarly, where Defendants have requested a reduction in fines owed for GCE, as they

1 did for January, April, and May 2023 (Kinlen Decl. ¶¶ 21, 22, 25), they must move for such  
2 relief, provide all supporting materials, and allow Plaintiffs an opportunity to respond. The Court  
3 has not included the sums requested as reductions for January, April, and May 2023, in its most  
4 recent amended judgment.

5 The clerk is ordered to provide copies of this order to all counsel.

6 Dated July 1, 2024.
